

OUR STRATEGIC DIRECTIONS

- Reducing Poverty by Enhancing Economic Opportunities for Residents.
- Enhancing Programs Focused on Youth, Families, the Black community, Seniors and Promoting Mental Health & Well- Being.
- Enhancing Delta Family's Profile with Residents and Key Stakeholders.
- Ensuring the (Long Term) Sustainability of the Organization.
- Building A Strong Capacity For "Evidence-Informed" Programming.

Delta Family Resource Centre has been providing programs and services for over 37 years in Northwest Toronto.

Delta Family has over the decades delivered many programs and services including Youth Leadership, Black Youth in Transition, Settlement Services and much more with the unifying overall objective of enhancing the capacity of the communities it serves.

We are a community organization serving priority neighborhoods in Northwest Toronto. Our catchment area is: Humber Summit, Humbermede, Jamestown, Mt. Olive and Beaumont Heights, and all NIA communities in Toronto's North West, all neighborhoods experiencing high levels of poverty, are isolated and under-served communities, as identified by the Urban Hearts research carried out by St. Michael's hospital and the City's TSNS initiative. Residents include many immigrants and newcomers from South Asia, West Asia, Latin America, Vietnam, the Caribbean, and Africa.
